¹ Upon client's instruction, the account provider transfers funds from the client's account to another account. Transfers in Euro to accounts opened in SEPA countries; IBAN information required for identification of the payer / beneficiary. In Medicinos Bankas UAB, payment orders are accepted for execution only with SHA fee option (fees are shared).

² D – for online payments, any calendar day; for physical payments, not later than the specified hour during the business hours of the respective customer service department.

DD – a working day of Medicinos Bankas UAB for the respective service (Monday–Friday, except Target2 holidays (for SEPA payments) and Lithuanian holidays and bank holidays of correspondent banks (depending on the payment currency) (for international payments)). DD+0, DD+1, DD+2 means the number of business days of the bank necessary to execute the payment order, where the payment order and funds are submitted/received by the specified time: when dispatching a payment order – delivered to the correspondent bank / beneficiary's bank; when receiving a payment order – credited to the beneficiary's account. For example, SEPA credit transfer to the client's account in another bank (4 p.m./DD+0) will be executed on the same banking day, when submitted before 4 p.m.

Medicinos Bankas UAB reserves the right to execute payment order in period of time shorter than specified herein. Payment orders received after the specified time will be executed at a later time, adding an extra banking day.

³ Standard transfers are executed every few hours.

⁴ Instant SEPA payment orders are accepted without exceeding EUR 100,000 (inclusive) and executed during the business hours of Bank divisions (transfers to banks that are part of the Instant Payment Service Scheme).

⁵ Non-SEPA credit transfer means that upon client's instruction, the account provider transfers funds from the client's account to another account. Transfers are made in currencies other than the Euro or to the accounts opened in countries outside SEPA.

Payment orders to the banks of EEA and UK countries are executed only with bank charges shared by the payer and the beneficiary (SHA).

OUR and SHA options for payment orders:

- **OUR:** the payer covers fees charged by Medicinos Bankas UAB, additional fees charged by intermediary banks and fees charged by the beneficiary's bank. The bank shall not be liable for the failure of intermediary banks and/or the beneficiary's bank to comply with the Bank's orders or in cases, where only part of the amount of the payment order is credited to the beneficiary's account for any other reasons beyond the control of the bank. In case of payment orders with OUR fee option, when accepting a payment order for execution, the bank will debit payment order fees and additional OUR fee from the payer's account to cover fees charged by other banks;

- **SHA:** the payer covers fees charged by Medicinos Bankas UAB, while the beneficiary covers fees charged by the beneficiary's bank and other banks.

In cases, where the beneficiary's bank/intermediary banks charge SHA fees on the payer, Medicinos Bankas UAB may additionally debit such fees from the payer's account.

⁶ Increased monitoring of a payment transaction will apply to payments where the account of the other party to the payment transaction (the payee of the funds) is held with a financial institution located: **a)** in a country subject to increased monitoring by the Financial Action Task Force (FATF) ([link](#)); **b)** in countries included in the list of High Risk Third Countries provided in paragraph I of Annex I to the European Commission's Delegated Regulation (EU) 2016/1675 ([link](#)); **c)** in countries included in the list of target areas approved by Order No. 344 of 29/12/2001 of the Ministry of Finance of the Republic of Lithuania ([link](#)); **d)** in Russia or Belarus, due to the international sanctions imposed on these countries; **e)** in another country from the Commonwealth of Independent States (Azerbaijan, Armenia, Kazakhstan, Kyrgyzstan, Moldova, Tajikistan, Turkmenistan, Uzbekistan), due to the high risk of evasion of the international sanctions imposed on Russia and Belarus. The payment is made only after all the documents necessary to verify the transaction have been submitted to the bank and the risk level of the transaction is acceptable to the bank. The fee is non-refundable if the order cannot be executed due to an unacceptable level of risk of the payment transaction or in the absence of sufficient documentation to assess the risk of the payment transaction.
